MDS' SARSAPARILLE MUSIN QUART BOTTLES MUSIC PURITY BOTTLES MUSIC PROPERTY OF THE BLOOD CURE OF AND FOR THE LIVER COMPLAINT SCROFULA RHEUMATISM BRONCHITIS STUBBORN ULCERS CONSUMPTION FEMALE COMPLAINTS DYSPEPSIA LOSS OF APPETITE SALT RHEUM FEVER SORES

In this preparation are strongly con-centrated all the Medicinal properties of SARSAPARILLA, combined with the most effectual aids, the most salutary productions, the most potent simples of the vegetable kingdom; and it has been so fully tested, not only by patients themselves, but also by Physicians, that it has received their unqualified recommendations and the approbation of the public; and has established on its own merits a reputation for VALUE and Expressor far superior to the various compounds bearing the name of Sarsaparilla. Discases have been cured, such as are not furnished in the records of time past; and what it has already done for the thousands who have used it, it is capable of doing for the millions still suffering and struggling with disease. It puri-fies, cleanses, and strengthens the fountain springs of life, and infuses new vigor throughout the whole animal frame.

The diseases for which this article is recommended are those to which it is known.

from personal experience to be adapted; and those apparently removed beyond the sphere of its action have yielded to its influence. The catalogue of complaints might be greatly extended to which the Sarsaparilla is adapted, but experience proves its value, and each succeeding day is adding new trophies to its fame. REMARKABLE CURE OF BRONCHITIS.

Messrs, Saxns :- Having suffered many years with a disease of my throat, affecting the larynx, during which time I was treated by the most distinguished physicians i Europe and the United States, without receiving any permanent benefit, but all the time my general health and strength declining, and the disease making fearful progress: caustic applications were used, and whatever else was thought most efficient for producing a cure; but I am confident the deplorable situation I was in, the laryngitis being accompanied with phthisis and great difficulty in breathing, would soon have terminated my life, had I not obtained relief through the medium of your valuable Sarsaparilla. I must say, gentlemen, when I commenced using the Sarsaparilla I did not place much confidence in its virtues; and this will not surprise you, when you are informed I had tried more than fifty different remedies during the past four years, without any success; but after taking your Sarsaparilla a few weeks, I was obliged at last to yield to evidence. This marvellous specific has not only relieved. but cured me: and I therefore think it my duty, gentlemen, for the benefit of suffering humanity, to give you this attestation of my cure. Yours very truly, D. PARENT.

CANCERCUS ULCER PERMANENTLY CURED. LET THE FACTS SPEAK FOR THEMSELVES .- The following striking, and, as will be seen, permanent cure of an inveterate Cancer, is only another link in the great chain of testimony to its merits. Let the afflicted read and be convinced. What it has done once it will do again :-

Messrs. A. B. & D. Sanns :- Gentlemen-In the year 1842 I was attacked with a cancer in my neck, which soon extended its ravages over the side of my face, eating the flesh, and leaving the cords of my neck bare, discharging very freely, causing in-tense pain and suffering, depriving me of rest at night and coinfort by day, destroying my appetite, and reducing me almost to the gates of death. I was attended by the first physicians in the state, who prescribed for me, and did all that skill and talent first physicians in the state, who prescribed for me, and did all that skill and talent could effect, but during all the time I continued to grow worse under their care. In the Spring of 1844 I chanced to hear of the cures performed by your Sarsaparilia, and determined to try it. I had not used over two bottles before I felt its effects on my system most sensibly. My appetite was soon restored, my strength was increasing, the discharge from the cancer decreased, and I soon began to perceive that the flesh was healing. I continued its use according to directions, and also continued to grow that the flesh was healing. I continued its use according to directions, and also continued to grow was healing. I continued its use according to directions, and also continued to grow better and better from day to day, until I have been fully and wholly cured by its use. It is now two years since I was cured, and I have remained perfectly well up to this day. I have delayed giving you this certificate, that I might ascertain whether the disease would reappear; but I am happy and most thankful to again repeat that the cure is a perfect one, and effected wholly by the use of your Sarsaparilla. The scars still remain; and all who know me, and many of the citizens of Stamford, can testify to the severity of my case and my sufferings, and the health-restoring power of your Sarsaparilla. I can with unhesitating confidence recommend its use to every sufferer afflicted with similar complaints. After experiencing what I have from its effects, I can say to one and all, "Hesitate and doubt no longer, but secure to yourselves the health giving virtue this medicine can alone bestow."

Most gratefully I am, and shall always remain, your friend, ISAAC STEVENS.

I have been to 85 Nassau-street two different times, and am now frequently visiting my neighbors. During all this time, I have taken but two bottles of Old Dr. Townsend's Sarsaparilla, Oct. 4. I procured another bottle to-day (5th Oct.) I walked twice across the floor without the aid of crutches. I have also nearly recovered from obstruction of water, which gave me across the floor without the aid of crutches.
